OLD BUSINESS – PUBLIC:

Nothing this month.

NEW BUSINESS:

Supervisor Hasenauer reported that Remsen City Fuel has submitted a bid for the 2012-2013 heating season, and that he felt due to their outstanding service during the Highway barn's issues with their gas tanks the town should consider their bid. Discussion took place regarding other possible bids, and it was decided the town would seek several other prices before a decision is made.

A motion was made by Councilman William Karn and seconded by Councilman Robert Seager to “proceed with the bridge plan by Zangrilli Engineering as described per their document dated December 17, 2012. In this document it states that the new replacement bridge for our twin bridges will have a roadway width of 15'7”. And secondly with this motion, agree to amend the contract accordingly to reflect this bridge design to have a minimum 15'7” roadway width in place of the 17'0” roadway width written in their previous contract.”
