

MORITORIUM ON HYDROFRACKING

Resolution # 67-2012:

A Motion was made by Councilwoman Archer to approve the moratorium of all hydraulic fracturing activity for exploration and capture of natural gas in the Town of Rochester for one year beginning 4/6/2012. This also includes the storage, use and transport of materials used in or for the process as well as waste products from the Hydraulic fracturing process with the Town of Rochester.

Seconded by: Councilman Cilenti
